Quality Assurance in Academics

3  
★  
Quality  
- Quality Assessment: the process of internal or external evaluation for the quality of educational provision, or institutions, in particular the quality of the faculty/ student experience.  
- Standard: levels of attainment against which performance may be measured. attainment of a standard usually implies a measure of fitness for a defined purpose.

4  
★  
Various Quality Terms  
- Quality Assurance: the means by which an institution can guarantee with confidence and security that the standards and quality of its educational provision are being maintained and enhanced.  
- Quality Improvement: the process of proactively enhancing activities in order to provide for a continuous improvement in the quality of institutional provision.
